RE: Tiffany Tiarra Henderson

Prob12B
D/NV Form
Rev. June 2014

It is the opinion of the probation office and also Henderson's counselor that she has been regularly consuming alcohol based upon her history with alcohol noted in the presentence report, and her counselor's observations of her during her counseling sessions. As such, the probation office requests that her conditions be modified to include alcohol monitoring for ninety (90) days to monitor her alcohol use more closely. Henderson is in agreement with this modification as noted by her signature on the attached probation form 49.
